

SLE 2008 Pledge for Gail's Miles Walked

On June 15th 2008, Gail Wensley, along with twelve other teammates will embark on an epic journey, travelling 1046 miles in 60 days from Bagamoyo on the Indian Ocean to Ujiji on Lake Tanganyika, Tanzania. THE STANLEY LIVINGSTONE EXPEDITION 2008 team, led by Jim Owens of North Carolina, will hike from village to village following the narrow footpaths used by the early African explorers. Gail, a member of The Stanley's Nile Expedition 2003 has returned to Tanzania several times since 2003, volunteering with humanitarian organizations.

The 2008 Team will be 'advanced' in areas near refugee camps in western Tanzania. The SLE team plans to walk 940 miles. In 2003, Gail personally logged 504 of the 638 miles that the Stanley's Nile Expedition Team actually walked.

For her second historic Expedition, as an incentive to log miles, Gail is garnering pledges to fund Tanzanian humanitarian causes. Wearing a pedometer, Gail's daily miles will be logged & confirmed by SLE Leader, Jim Owens.

Income Tax Donation receipts (CDN. or U.S.) will be issued from your choice of one of the following registered International Organizations Gail is walking for:
